Please find below and/or attached an Office communication concerning this application or proceeding.

Commissioner of Patents and Trademarks

The reply filed on 10/21/02 is not fully responsive to the prior Office Action because of the following matter:

the Office Action of Paper No. 23 required corrections to the drawings as indicated on the PTO-948 attached to Paper No. 23; however, corrected formal drawings do not appear as part of the response filed 10/21/02.

Applicant's response filed 10/21/02 indicates that corrected formal drawings were filed in addition to the Petition under 37 CFR 1.84(a)(2); however these drawings do not appear as part of the instant file.

Applicant is required to submit corrected formal drawings, as well as the required copies of color Figure 32 in response to this Communication. See 37 CFR 1.111.

Since the above-mentioned reply appears to be *bona fide*, applicant is given **ONE (1) MONTH or THIRTY (30) DAYS** from the mailing date of this notice, whichever is longer, within which to supply the omission or correction in order to avoid abandonment. EXTENSIONS OF THIS TIME PERIOD MAY BE GRANTED UNDER 37 CFR 1.136(a).
